

**UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF NORTH CAROLINA
CHARLOTTE DIVISION
CRIMINAL DOCKET NO. 3:97CR155-9-V**

UNITED STATES OF AMERICA

v.

**DAVID BABB LOWRY,
Defendant.**

ORDER

Defendant David Babb Lowry moves the Court to terminate his term of supervised release. (Document #1063) The Defendant so moves because he has complied with each and every condition of his confinement in prison and term of supervised release and has no restitution/fine obligation. The United States Probation Office does not object to the filing of this Motion as Defendant has successfully completed 54 of his 60 months of supervised release – satisfying the district’s policy of requiring 2/3 completion of the term before recommending early termination. Likewise, the United States Attorney’s Office does not object to this Motion. The Defendant has shown good cause for the granting of this Motion.

IT IS, THEREFORE, ORDERED that the Defendant’s Motion to Terminate his term of supervised release is **GRANTED**.
